PURPOSE: The director of the Department of Revenue is charged with the responsibility of receiving dealers' monthly sales reports and securing power of attorney forms. This rule establishes time limits and guidelines concerning the submission of those reports.

(1) Every motor vehicle and boat dealer shall file a monthly sales report on a form prescribed by the director of revenue in accordance with section 301.280, RSMo. This report shall be completed in full and actually received by the Department of Revenue on or before the fifteenth day of the month following the month for which the sales are being reported. (Example: Sales occurring during the month of July must be filed on or before August 15.)

(A) If any due date for filing the report falls on a Saturday, Sunday or legal holiday in this state, the report shall be considered timely if it is filed on the next day which is not a Saturday, Sunday or legal holiday.

(B) If any monthly sales report required to be filed on or before a prescribed date is delivered after that date by United States mail, postage prepaid and addressed to the Department of Revenue, the date of the United States postmark stamped on the envelope shall be deemed to be the date of filing. Official United States postmarks will suffice as proof of mailing. Reports may also be submitted by certified mail, registered mail or the dealer may obtain a validated certificate

of mailing or receipt from the United States Post Office to establish date of mailing.

(2) If no sales occur in any given month, a report must be submitted for that month indicating no sales.

(3) No motor vehicle or boat dealer, his/her agent or representative shall willfully or knowingly make a false statement in any monthly sales report required by section 301.280, RSMo and this rule; nor shall s/he, his/her agent or representative omit any information requested or fail to report any sale made by the dealership.

(4) Every motor vehicle and boat dealer shall retain copies of the sales reports submitted to the Department of Revenue as part of the records to be maintained at the dealership location as provided in section 301.560.1., RSMo and shall hold them available for inspection by appropriate law enforcement officials, officials of the Department of Revenue and the Motor Vehicle Commission.

(5) Every motor vehicle dealer shall submit the original secure power of attorney form (see 12 CSR 10-23.420) in which the dealer is listed as purchaser and a copy of the corresponding certificate of title with the dealer's monthly sales reports as provided in 12 CSR 10-23.420. Secure power of attorney forms and copies of the corresponding titles received by a dealer in a particular month should be submitted with the sales report completed for that month.

Burtrum Brothers Motor Co., Inc. v. Director of Revenue, Case No. RV-86-0650 (A.H.C. 11/10/87). The Administrative Hearing Commission upheld the Department of Revenue's determination that petitioner failed to make the requisite number of sales. The Administrative Hearing Commission

found that the "sales" reported by petitioner were sham transactions in that the buyer never took possession of the vehicles, titles remained in the petitioner's possession and the titles were not assigned to the alleged purchaser. Furthermore, the commission rejected the argument that respondent's only remedy when insufficient sales are made is to refuse to renew registration for the following year. The Administrative Hearing Commission held that the Department of Revenue may revoke a registration for petitioner's attempt to conceal its ineligibility by reporting sham transactions.

12 CSR 10-23.070 Regulation of Dealer License Plates

PURPOSE: The director of the Department of Revenue is charged with the responsibility of regulating the license plates issued to dealers. This rule establishes safeguards to prevent unauthorized use of dealer plates.

- (1) Whenever a dealer is no longer entitled to registration pursuant to section 301.251, RSMo through voluntary cessation of business, abandonment of a bona fide established place of business, failure to make four (4) sales per year, suspension or revocation of its registration, sale of the business, declaration of bankruptcy or for any other reason, the dealer license plates issued to that dealer immediately shall be surrendered to the director regardless of the unexpired time remaining in the registration period applicable to that license plate.
- (2) Dealer license plates are issued primarily for the purpose of allowing a potential buyer to test drive a motor vehicle owned and held for resale by a dealer. A secondary purpose is to allow the transportation of vehicles owned by a dealer or manufacturer and held for the purpose of resale. Therefore, dealer plates may be displayed only on a motor vehicle or trailer that is—
 - (A) Owned by the manufacturer/dealer; and
 - (B) Held for resale.
- (3) Vehicles on which the plates are displayed then may be operated by—
 - (A) A customer who is test driving the motor vehicle;
 - (B) An owner, officer or employee of the manufacturer/dealer;
 - (C) A buyer as provided in section 301.140.3., RSMo; or
 - (D) A customer who is test driving a truck or a trailer under loaded conditions provided a written demonstration agreement signed by the prospective customer and the dealer is present in the vehicle. The motor vehicle or trailer may be test driven for no more than twenty-four (24) hours if the vehicle is being operated in Missouri or for one (1) round trip only if being test driven outside Missouri. The written demonstration agreement must be on the dealership's stationery and include the following items:
 - 1. A statement that the vehicle is being used for demonstration purposes only;
 - 2. A description of the vehicle; that is, year, make and vehicle identification number;
 - 3. The name of the person or company demonstrating the vehicle;
 - 4. The dealer number;
 - 5. A statement of the type of property being transported;
 - 6. The date and time the demonstration began; and
 - 7. If the vehicle is being demonstrated on a round trip outside Missouri, the estimated date the vehicle will be returned to the dealership.
- (4) Section 301.253, RSMo provides that dealer plates may be displayed on any motor vehicle used by an employee or officer and owned by the manufacturer, distributor or dealer, but shall not be displayed on any motor vehicle or trailer hired or loaned to others or upon any regularly used service or wrecker vehicle. Therefore, dealer license plates may not be displayed on the following:
 - (A) Motor vehicles or trailers that are rented or leased;
 - (B) Motor vehicles or trailers that are loaned to someone other than an owner, officer or employee of the dealership (for example, a dealer may not loan a motor vehicle displaying a dealer license plate to his/her customer while the customer's vehicle is being serviced or repaired);
 - (C) Motor vehicles or trailers that are used for hauling or towing;
 - (D) Motor vehicles or trailers used by anyone who is not an officer or employee of the manufacturer/dealer, this includes relatives of employees and officers;
 - (E) Motor vehicles or trailers that are not for resale; and
 - (F) Any boat or vessel.
- (5) Dealer plates displayed on all motor vehicles, other than motorcycles and motortricycles, must be twelve inches by six inches (12" x 6") in size.

AUTHORITY: sections 301.140, 301.251 and 301.253, RSMo (1986). Original rule filed April 14, 1980, effective Sept. 12, 1980. Amended: Filed March 26, 1982, effective July 12, 1982. Amended: Filed Sept. 16, 1985, effective Jan. 26, 1986.*

PURPOSE: This rule establishes the procedures that will be utilized by the director and title service agents for compliance with section 301.119, RSMo.

(1) A title service agent receiving a notice of revocation/suspension for failure to satisfy the requirements of state law must request a hearing by the date stated on the notice of revocation/suspension. Failure to request the hearing by that date will be considered a waiver of the right to an administrative hearing and will make final, for the purposes of review, the director's decision.

If the request for hearing is delivered by hand, the date of filing shall be deemed to be the date received by the director of revenue or his/her official representative. (3) Hearings will be held in Jefferson City, Missouri. Cases will be placed on the administrative docket in the order in which they are received.

(4) Parties requesting hearings will be notified by first class mail of the date and time of the hearing. A copy of the notice will be sent to the attorneys of record and the parties involved.

All requests for continuance must be filed not later than six (6) days prior to the date of the scheduled hearing. The following events or conditions shall constitute good cause to continue a hearing:

(A) Death of a party, representative, or an attorney of a party, or a witness to an essential fact;

(B) Incapacitating illness of a party, or representative, or attorney of a party or witness to an essential fact. The request must contain a written statement by an attending physician reciting the nature and probable duration of the illness; and

(C) Parties may present testimony by affidavit. Affidavits may be filed at the time of hearing or after notice of setting of the hearing. Parties will submit the original and three (3) copies of affidavits;

(D) Failure to appear at the hearing at the stated time will make the decision of the director final as of that date; and

(E) The provisions of Chapter 536, RSMo shall apply to hearings held pursuant to section 301.119, RSMo.

(8) The director shall make findings of fact and conclusions of law and enter his/her decision. All parties will be mailed a copy of the findings of fact and conclusions of law. No decision will be given at the time of the hearing.

12 CSR 10-23.160 Good Moral Character of Motor Vehicle Dealers, Manufacturers, Boat Dealers, Salvage Dealers and Title Service Agents

PURPOSE: The director of the Department of Revenue is charged with the responsibility of determining that applicants for registration as motor

vehicle dealers, salvage dealers and title service agents are of good moral character. This rule establishes the guidelines which will be used to determine if the applicant is eligible for registration.

(1) Except with a showing of evidence to the contrary, the following will be considered prima facie evidence on which the registration of a motor vehicle dealer, manufacturer, boat dealer, salvage dealer or title service agent will be denied because of lack of good moral character if the applicant:

(A) Has ever been convicted in any federal or state court of a felony relating to the acquisition or transfer of motor vehicles, trailers, motor vehicle parts or boats;

(B) Within five (5) years preceding the application, has been convicted in any federal or state court of a felony, within the last three (3) years, or has been convicted in any federal or state court of a misdemeanor relating to the acquisition of or transfer of motor vehicles, trailers, motor vehicle parts or boats; and

(C) Within three (3) years preceding the application, has been convicted in any federal or state court of a misdemeanor, or has shown contempt of laws in civil or administrative proceedings; or has had a motor vehicle dealer registration, manufacturer registration, boat dealer registration, salvage dealer registration or title service agent registration revoked in this or another state and has demonstrated through conduct since the date of the occurrence that no substantial improvement in character or reliability has occurred. A determination by the director of revenue that conduct subsequent to the occurrence in question demonstrated a failure to improve character or reliability will be made only following a notice to the applicant and a subsequent hearing before the director of revenue or his/her representative.

(2) Any dealer or applicant who receives notice of denial or revocation and desires to contest the *prima facie* of the fact(s) recited in subsection (1)(A) or (B) may request a hearing for the purpose of showing substantial rehabilitation or improvement in character sufficient to rebut the presumption created by the cited subsections. Request for a hearing should be submitted to the Director, Motor Vehicle and Driver's Licensing Division, P.O. Box 629, Jefferson City, MO 65105.

*AUTHORITY: sections 301.114, 301.221 and 301.251, RSMo (1986). * Original rule filed Oct. 15, 1984,*

12 CSR 10-23.170 Registration of Corporation Motor Vehicles/Emission System Inspection Areas

PURPOSE: The director of the Department of Revenue is charged with the responsibility to determine that every application for registration of a motor vehicle contains all the information required by law. It is required in certain areas of the state, as part of the annual motor vehicle inspection certificate required for registration, that motor vehicles be tested to determine that the emission system is functioning within specified standards. Certain corporations based within the emission system inspection areas operate motor vehicles which are situated outside of the emission system inspection areas. This rule provides that the emission system inspection requirement does not apply to corporate motor vehicles based and operated exclusively outside of emission system areas.

(1) The requirement that an application for registration of a motor vehicle within an emission system inspection area contain a certificate of emission system inspection shall not apply to motor vehicles owned by corporations based within the inspection areas only upon presentation of the following:

(A) A notarized affidavit stating that the motor vehicle in question is based and operated exclusively in an area of the state not subject to emission system inspection requirements; and

(B) A tax receipt or certified collector's statement showing that the state and county tangible personal property taxes for the preceding year have been paid by the applicant in the county where the motor vehicle(s) is situated or that no taxes were due.

12 CSR 10-23.180 Replacement Vehicle Identification Plates

PURPOSE: This rule clarifies the issuance of replacement vehicle identification number plates stamped with the original vehicle identification number assigned by the manufacturer of the motor vehicle or trailer by the Department of Revenue.

(1) Upon certified application, the Department of Revenue may authorize the issuance of one (1) metal replacement vehicle identification number (VIN) plate with the original VIN stamped on the plate. The plate will be designed by the department in order to distinguish the replacement plate from the original plate. Before the issuance of any replacement plate, a physical inspection of the vehicle to determine the true and complete VIN must be made by an officer of a law enforcement agency approved by the Department of Revenue for that purpose. The inspecting officer shall certify the inspection in the appropriate place on the application and may retain a copy.

(2) After the replacement VIN plate is issued, the Department of Revenue will forward a copy of the application for replacement VIN (see 12 CSR 10-23.426) plate accompanied by the replacement plate itself to the original inspecting law enforcement agency who will make contact with the vehicle owner.

(3) The attachment of the replacement plate to the vehicle must be made by or under the supervision of the original inspecting law enforcement officer. A certification attesting to the attachment of the plate shall be made on a copy of the application by the officer and the copy will then be returned by the officer to the Department of Revenue. No replacement VIN plate other than one provided by the Department of Revenue shall be affixed to any motor vehicle or trailer.

(4) The fee for the replacement VIN plate will be seven dollars and fifty cents (\$7.50).

12 CSR 10-23.185 Obscene License Plates

PURPOSE: This rule establishes the guidelines for issuing personalized motor vehicle license plates.

(1) Language or symbols which are obscene or profane are not protected by the *United States or Missouri Constitution*. The language or symbols shall not be allowed on any personalized motor vehicle license plate issued under the provisions of section 301.144, RSMo. In determining whether or not requests for personalized motor vehicle license plates contain language or symbols which are obscene or profane, the Department of Revenue will use the standards in section (2).

(2) The following terms, as used in this rule, shall be defined as follows:

(A) Obscene—Language or symbols which represent or describe ultimate excretory functions or sexual acts in a patently offensive manner or make lewd reference to the male or female sexual organs and appeal to the prurient interests of the average person applying contemporary community standards (see *Miller v. California*, 415 U.S. 15, 93 S.Ct. 2607 (1973)). Prurient interests, as used in this definition, shall mean shameful or morbid interest in nudity, sex or excretion that goes substantially beyond customary limits or candor in description or representation of these matters (see *Haldeman v. United States*, C.A. Kan., 340 F2d 59 (10th Cir., 1965)); and

(B) Profane—Language or symbols which are irreverent or contemptuous of things regarded as sacred or that imply divine condemnation (see *Baker v. State*, 16 Ariz. App. 463, 494 P2d, 68 (1972) and *Duncan v. United States*, 48 F2d 128 (9th Cir., 1931)).

(3) No motor vehicle license plate will be issued by the Department of Revenue if the language or symbols on the plate are obscene or profane. In order to make this determination, the Department of Revenue will look to the way the average person applying contemporary community standards would view the license plate. Factors which the Department of Revenue may consider in this regard include, but are not limited to:

(A) An explanation by the registrant as to why s/he chose particular language or symbols to be on his/her personalized motor vehicle license plate;

(B) Complaints from the public regarding a license plate with the same letters, numbers or symbols as that requested or held by the registrant;

(C) Complaints from the public regarding a license plate with similar letters, numbers or symbols as that requested or held by the registrant;

(D) Dictionary definitions of the language or symbols requested by the registrant; and

(E) Information from other states regarding motor vehicle plates which have not been issued by them because they found them to be obscene or profane.

(4) The Department of Revenue shall recall any personalized motor vehicle license plate which it has already issued if it determines that a plate is obscene or profane.

12 CSR 10-23.190 Temporary Permits Sold by a Registered Missouri Motor Vehicle Dealer

PURPOSE: This rule clarifies the sale by registered Missouri motor vehicle dealers of temporary permits to operate motor vehicles and trailers on the streets and highways of Missouri.

(1) A registered dealer may provide no more than one (1) two (2)-piece set of temporary permits per motor vehicle or trailer sold by his/her dealership. The temporary permits shall be effective for the number of days provided by law and shall be nonrenewable. No dealer shall sell a permit for use on any motor vehicle or trailer other than a motor vehicle or trailer sold by the dealer or his/her authorized employees at the dealer's own certified place of business except that a franchised motor vehicle dealer may issue a temporary permit for use on a motor vehicle the dealer delivers to a purchaser pursuant to a courtesy delivery arrangement made with another franchised dealer or manufacturer.

(2) The sale of all temporary permits, except those permits issued pursuant to a courtesy delivery arrangement, shall be recorded in the appropriate space on the dealer's monthly sales report by notation of the true, accurate and complete permit number next to the corresponding motor vehicle or trailer sale listed.

(3) A registered dealer may charge no more than the fee prescribed by law for each set of temporary permits as specified in section 301.140.4., RSMo.

(4) Upon each sale of a set of temporary permits, each dealer shall fully complete all information on the temporary permits in accordance with Department of Revenue instructions and complete all appropriate records of issuance found within the booklet of permits. If the permit is issued pursuant to a courtesy delivery arrangement, the dealer issuing the permit must record the words courtesy delivery on the corresponding permit and on the permit record within the permit booklet. The information listed shall be true, accurate and complete. Temporary permits that are spoiled shall be marked void and kept as a part of the dealership's records. The records shall be maintained in booklet form for a period of at least three (3) years for inspection by law enforcement or Department of Revenue officials.

(5) The Department of Revenue shall use reasonable diligence to ascertain whether the

number of temporary permits requested by any dealer is reasonably proportionate to the number of motor vehicle and trailer sales previously reported by the dealer on his/her monthly sales reports. In cases of discrepancy, the department may reduce the number of temporary permits provided to a dealer or refuse a request for temporary permits based upon its findings.

(6) No temporary permits shall be issued for use on a motor vehicle unless there is a valid certificate of inspection and approval for the particular motor vehicle in accordance with section 307.380, RSMo. Dealers shall enter the true, accurate and complete motor vehicle inspection certificate number on the temporary permit record.

(7) Upon a finding that a dealer has failed to comply with any of the provisions of this rule, the department may reduce the number of temporary permits issued to a dealer or refuse a dealer's request for temporary permits.

PURPOSE: This rule clarifies procedures for issuance of Congressional Medal of Honor license plates.

(1) Congressional Medal of Honor license plates are Missouri license plates containing letters or numbers or combinations of letters and numbers which may be established by the director of revenue.

(2) The license plates shall bear the words CONGRESSIONAL MEDAL OF HONOR in blue lettering on two (2) lines with letters approximately one inch (1") in height on a white background. Immediately to the left of

these words shall appear a one (1) or two (2) digit number. The upper left-hand corner of the plate will bear a reproduction of the Congressional Medal of Honor in gold. On the top of the license plate shall appear the words MISSOURI and JUL.

(3) Congressional Medal of Honor license plates will be issued only to recipients of the Congressional Medal of Honor and may be issued to any motor vehicle other than a commercial motor vehicle licensed for more than twelve thousand pounds (12,000 lbs.).

(4) Congressional Medal of Honor license plates shall be issued only to motor vehicles which are owned solely or jointly by recipients of the medal.

(5) Any person desiring to obtain Congressional Medal of Honor license plates must make application for the set of two (2) plates.

(6) Each initial application for Congressional Medal of Honor plates shall be submitted to the Department of Revenue, P.O. 12 CSR 10-23.220 Motor Vehicle Fee and Tax Refund Requests

PURPOSE: This rule clarifies when a request for refund of motor vehicle fees and taxes will be approved or denied.

(1) The Department of Revenue will approve a request for refund unless the request is made pursuant to circumstances including, but not limited to, the following:

(A) In any case of a casualty loss when the loss of a motor vehicle or trailer was partial rather than total;

(B) In any case of a total casualty loss where the date of sale of a replacement vehicle, as evidenced by the date the notary acknowledged the transferor's signature, on a Manufacturer's Statement of Origin or a Missouri certificate of title was more than ninety (90) days prior to or after the date the casualty loss proceeds were certified to the loss payee;

(C) In any case where the date of sale of an original vehicle, as evidenced on the Missouri certificate of title by a notary seal, dates more than ninety (90) days before or after the date of purchase of a new replacement vehicle. The date of sale of a new vehicle shall be evidenced on the Manufacturer's Statement of Origin by the date the notary acknowledged the signature of the transferor;

(D) In any case where the date of sale of an original vehicle, as evidenced on the Missouri certificate of title by a notary seal, dates more than ninety (90) days before or after the date of purchase of a used replacement vehicle. The date of purchase of the used replacement vehicle shall be evidenced on the Missouri certificate of title by the date the notary acknowledged the signature of the transferor;

(E) In any case where the original vehicle sold or destroyed is owned by a title holder of record other than the title holder of the replacement vehicle. The title holder(s) of the original vehicle must be, in fact, the same as the title holder(s) of the replacement vehicle in order to qualify for the tax exemption under section 144.025 or 144.027, RSMo;

(F) In any case where an individual or an organization was not the holder of a valid tax exemption number on the date the vehicle was purchased;

(G) In any case where the claim is for refund of registration fees; and

(H) In any case where the claim for refund was filed more than two (2) years from the date the tax was paid.

(2) The Department of Revenue will refund taxes erroneously paid in connection with the

titling of a motor vehicle or trailer that is later determined to have been stolen or when a purchase of a motor vehicle is rescinded within sixty (60) days of the purchase date.

(3) Proceeds, as used in section 144.027, RSMo, are defined as the amount in the form of cash or a check actually received from the insurance company. The deductible amount under the policy shall not be added to the amount of the check to total the proceeds.

12 CSR 10-23.230 Legal Sale of Motor Vehicle or Trailer

PURPOSE: This rule clarifies that, as of August 28, 1989, the form of warranty prescribed by the director of revenue for assignments of title to motor vehicles does not require acknowledgment of the transferor's signature by a notary public. In addition, this rule clarifies that assignments of title made on or after August 28, 1989, which do not include a notarial acknowledgment of the transferor's signature, are not procedurally defective.

(1) Any assignment of a motor vehicle or trailer certificate of title made on or after August 28, 1989, and before February 11, 1991, is not procedurally defective by reason of the transferor's signature not being acknowledged by a notary public.

(2) Beginning on August 28, 1989, an assignment of a certificate of title does not require an acknowledgment of the transferor's signature by a notary public. As of that date, the form of warranty of title prescribed by the director of revenue for the proper assignment of certificate of title pursuant to section 301.210, RSMo removed any requirement that the transferor's signature be notarized.

12 CSR 10-23.250 Registration and Classification of Commercial Motor Vehicles

PURPOSE: This rule sets forth the requirements for the registration and classification of commercial motor vehicles.

(1) The intended usage of a motor vehicle shall determine how a vehicle is to be registered unless the registration is otherwise defined by statute. An applicant shall designate at the time of registration the type of usage for which the vehicle shall be principally used.

(2) A commercial motor vehicle is a motor vehicle designed for or regularly used for carrying freight and merchandise or more than eight (8) persons, excepting vanpools or shuttle buses. Commercial use of the vehicle shall be presumed where the vehicle is regularly used for the carrying of freight or persons for more than fifty percent (50%) of the driving time or mileage of the vehicle.

(3) The registrant of a van, truck or station wagon who registers the vehicle as non-commercial shall provide the department with a notarized affidavit that the commercial use of the motor vehicle comprises less than fifty percent (50%) of the use of the vehicle.

12 CSR 10-23.255 Replacement Vehicle Identification Number Tabs—DR and DRX Numbers

PURPOSE: This rule clarifies the issuance of Department of Revenue vehicle identification number tabs to motor vehicles and trailers which were never assigned a vehicle identification number plate by their manufacturer; have had a number destroyed, removed, covered or altered; or were reconstructed with various major component parts of other motor vehicles or trailers which have conflicting or different vehicle identification number plate numbers.

(1) Upon certified application, the department may authorize the issuance of one (1) adhesive vehicle identification number (VIN) tab which shall be affixed in an upright position to the inside facing of the driver's door adjacent to the number it is replacing on a motor vehicle; or in a prominent, upright position on the left side near the corner of a trailer and which shall serve as the VIN of the motor vehicle or trailer.

(2) Before the issuance of any VIN tab to a motor vehicle, a physical inspection of the motor vehicle to determine the need for a replacement vehicle identification number tab (DR Number) must be made by an officer of a law enforcement agency approved by the department for that purpose. The inspecting officer shall certify the inspection on a Vehicle Examination Certificate provided by the department and may retain a copy. The inspecting officer shall also provide a copy of the Vehicle Examination Certificate to the owner. If the Vehicle Examination Certificate indicates conflicting VINs for the public VIN and the police VIN, and at least three (3) or more new or used major component parts have been used in reconstructing the vehicle, the department will issue a replacement vehicle identification number tab (DR Number) for the inspecting officer to affix to the motor vehicle as described in section (1).

(3) Before issuance of any VIN tab to the owner of a homemade trailer, the owner must present verification from an official Missouri Motor Vehicle Inspection Station that the trailer is indeed homemade. The certificate will describe the trailer as HMDE and record the VIN as NONE. To obtain a DRX Number, the owner must submit the inspection certificate along with a completed Department of Revenue Form 50, Application for DRX Number.

(4) Before issuance of any VIN tab to the owner of a manufactured trailer, the need for a DR Number must be established through inspection of the trailer by a designated, official Motor Vehicle Inspection Station. If the manufactured trailer does not have a VIN, the inspection station will record UNKNOWN in the appropriate area on the inspection certificate. The department will issue, upon certified application for title by the owner, a DR Number for the trailer. The DR Number tab shall be affixed by the owner as described in section (1).

(5) If the make of a manufactured trailer cannot be determined by the inspection station, the station will record the make as UMFG on the inspection certificate. In addition, if the manufactured trailer lacks a VIN, the department will issue, upon certified application for title by the owner, a DRX Number for the trailer. The DRX Number tab shall be affixed by the owner as described in section (1).

12 CSR 10-23.260 Inspection of Foreign Motor Vehicles Prior to Titling

**Original authority 1939, amended 1947, 1965, 1981, 1983, 1984, 1985, 1986, 1986, 1987, 1988, 1989, 1990.*

PURPOSE: This rule sets forth the procedures for issuance of Missouri certificates of title to foreign motor vehicles not specifically manufactured for importation into this country.

Editor's Note: The secretary of state has determined that the publication of this rule in its entirety would be unduly cumbersome or expensive. The entire text of the material referenced has been filed with the secretary of state. This material may be found at the Office of the Secretary of State or at the headquarters of the agency and is available to any interested person at a cost established by state law.

(1) Some vehicles are not manufactured for importation into the United States. In order for a certificate of title to be issued, the department requires any motor vehicle imported by a registered Missouri motor vehicle dealer, or an individual, which vehicle is not manufactured for importation into the United States, to be inspected by a member of the Missouri State Highway Patrol. At the time of the inspection, the Missouri State Highway Patrol will complete a Vehicle Examination Certificate, DOR Form 551. This form indicates that the vehicle identification number has been verified and is correct.

(2) Some motor vehicles which are purchased by Missouri residents in another country and imported into the United States are manufactured for importation into the United States and conform to all legal standards. The ownership document for these vehicles is usually a Manufacturer's Statement of Origin similar to the type issued for a motor vehicle constructed by an American manufacturer.

(A) Any application for title to a motor vehicle imported into the United States which is accompanied by a Manufacturer's Statement of Origin need not be accompanied by a DOR Form 551(B). If problems are encountered at the time the application is entered into the Department of Revenue's computer, the central office will inform the applicant to contact the Missouri State Highway Patrol to request that they inspect the vehicle and complete a Vehicle Examination Certificate.

PLEASE REVIEW THE DEFINITIONS BELOW TO DETERMINE HOW YOUR MOTOR VEHICLE WILL BE CLASSIFIED AND TITLED.

REBUILT MOTOR VEHICLE - A motor vehicle which has been repaired or restored to its original appearance and design by means of repaired sheet metal and/or by replacement of new or major parts such as the bumper, hood, fender, grille, trunk lid, and doors of the same vehicle make, model, or description excluding major component parts (see definition of major component parts below). An original Missouri certificate of title will be issued for a rebuilt motor vehicle which conforms to this definition.

RECONSTRUCTED MOTOR VEHICLE - A vehicle that is altered from its original construction by the addition or substitution of two or more new or used major component parts, excluding motor vehicles made from all new parts, and new multistage manufactured vehicles.

MOTOR CHANGE MOTOR VEHICLE - A vehicle manufactured prior to August, 1957, which receives a new, rebuilt or used engine, and which used the number stamped on the original engine as the vehicle identification number.

SPECIALLY CONSTRUCTED MOTOR VEHICLE - A motor vehicle which has not been originally constructed under a distinctive name, make, model, or type by a manufacturer of motor vehicles (EXAMPLE - DUNE BUGGY). The term "specially constructed motor vehicle" includes kit vehicles. The Missouri Certificate of Title issued will be stamped "Specially Constructed".

KIT MOTOR VEHICLE - A motor vehicle assembled by a person other than a generally recognized manufacturer of motor vehicles by the use of a "glider kit" or replica purchased from an authorized manufacturer and accompanied by a manufacturer's statement of origin. The "kit" may include the cab, drive train, etc. The Missouri Certificate of Title issued will be stamped "Specially Constructed."

NON-USA-STD MOTOR VEHICLE - A motor vehicle not originally manufactured in compliance with United States emissions or safety standards.

MAJOR COMPONENT PARTS - Include the following parts of a motor vehicle: rear clip, cowl, frame, front end assembly, front clip, body and cab.

MAJOR COMPONENT PARTS

- I. **FRONT-END ASSEMBLY** - An entire unit consisting of that portion of the body from the firewall forward, i.e., hood, both fenders, inner skirt of fenders, radiator or core support, and grille.
- II. **FRONT CLIP** - All parts of the front-end assembly plus complete cowl. It may include instrumentation and steering column. It requires cutting of vehicle floor and windshield post.
- III. **CAB** - The passenger compartment of a common truck. It is a one-piece sheet metal construction which may or may not include glass, instrumentation, steering column, and seat.
- IV. **REAR CLIP** - The complete rear sheet metal assembly formed by severing the vehicle across the floor and either through the windshield post or through the rear window post.
- V. **COWL** - The sheet metal formed by severing the vehicle across the floor in the vicinity of the front seat and severing the windshield posts. It does not include parts forward of the firewall. If a cowl is included as an integrated part of a front clip, front-end assembly, or rear clip, it will not be considered a major component part for the purpose of determining the number of such parts used in reconstructing a vehicle.
- VI. **FRAME** - The steel basic structure which runs the entire length of some vehicles and onto which the suspension parts are bolted to the lower side and the body is bolted to the top side. Unibody vehicles do not have this type of frame.
- VII. **BODY** - The shell, either of a unibody or frame-type passenger vehicle, which consists of a one-piece, integrated sheet metal construction extending from the firewall back. The body includes a cowl but not a front-end assembly. It may or may not include an interior, doors, and deck lid.

(B) If the seller of the vehicle is a Missouri registered motor vehicle dealer, the dealership will not be required to obtain a duplicate certificate of title in the previous owner's name but will be required to obtain an original title in the name of the dealership before the ownership of the vehicle may be transferred to another individual or dealership. 1. Application for Title, DOR Form 108;

4. A notarized affidavit from any lienholder which may have been recorded in the assignment of title; and

5. Required title fee; and
(C) If the assignment of title by the dealership occurred on an original certificate of title issued in the name of that dealership, the dealership would be required to make an application for duplicate title as required in subsection (1)(A).

(2) If thirty (30) days has elapsed from the assignment of title date, the purchaser of the vehicle must make application for title and obtain a certificate of title on the vehicle as required by section 301.190, RSMo. If the sale of the vehicle is rescinded within sixty (60) days from the date of vehicle purchase, the purchaser/seller may apply for a refund of any taxes paid on the acquisition of the vehicle.

(3) This rule applies to Certificates of Title issued by Missouri as well as other states. It does not affect assignments of ownership on Manufacturers' Statements of Origin.
